**The safest way to World Peace**

**Have Confidence!  
Confidence to a beautiful Future!**

# The World of Warmth and Love

2

It is a world, since warmth and love have priority.  
Since everyone believes in the purity of the soul. Because everyone  
wants other people happy.

Here in this beautiful world is the desire of paradise to reality.

Every human, dear reader, would like to be a good person.  
That is why it is absolutely important to love the people who still do  
not know love.

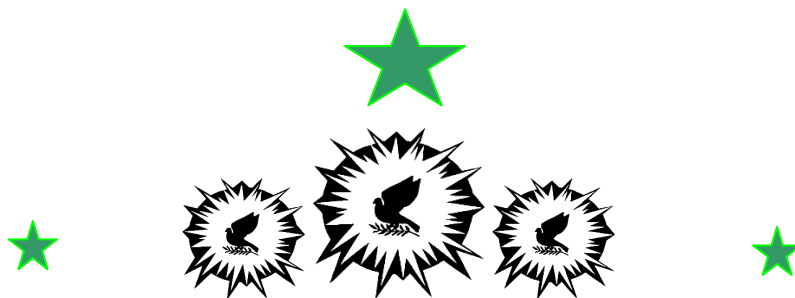

But also to help those who despise freedom and peace.

The eternal cycle of hatred must be stopped so that the most  
beautiful of all worlds may finally be born.

## The World of Warmth and Love

**Human on earth  
give Each your hand  
and teach all peacefully and lovingly  
to be.**

23

You're a unique, with nothing comparable soul.

You're a part of this world  
and the all-encompassing nature.

Your soul for this world needs a body,  
so that your soul has the possibility  
of mentally, emotionally and physically  
to become a human.

You're no more and no less than any other creature.  
Since the cosmic world,  
only the principle of equality exists.

You have in your life the task  
to learn what peace, love and harmony.

Anytime when your soul  
peace, love and harmony in united,  
you're wise.

Wisdom gives you the mental freedom  
to love everything.

Knowledge is the beginning and takes you with certainty  
to the most beautiful and lovingly philosophy:

**The Eternal Life of every soul  
is absolutely an infinite reality.**

**Yes dear Reader,  
Sometime in your life, your soul will leave your body  
You're not your Body - but you are your Soul.**

**People need to know this so that the lives and the world  
can better understand.**

**You and your soul  
are one and the same essence.**

**If you are sad, then your soul is sad!  
If you laugh, then laugh your soul!  
If you are happy, then your Soul is happy!**

**You and your soul are both the same!**

**Yes dear Reader,  
with absolute certainty, Yes!**

## **A timeless eternal philosophy "Peace and Love for all Life"**

28

For the people of the atomic age, it is very important that their cosmic philosophy, "Peace and Love for all Life" is aware.

The current intense focus on technical, economic and military development has continued to prevent the important intellectual and spiritual needs for peace and charity, could be satisfied. The resulting, disharmonious, often repressed discontent is the real cause of violence and various diseases.

In order for children, adolescents and adults in the sense of "Peace and Love for all Life" can enjoy their lives, the state leadership regarding the harmonization of inter-key projects to develop and implement.

Previously, the physical development of extremely preferred. Thus some of which degenerated into interpersonal order to regenerate, it is absolutely necessary that, in addition with the same effort, the intangible needs for mental satisfaction, more than ever researched and satisfaction. That would mean that slums etc. and unknown epidemic-like diseases of the past soon.

## **Peace, Love and Harmony**

**Peace alone is the Creator of all creative thought.  
Only through peace, it is possible  
that people are truly happy.**

**Love is the breath of this world  
and for every human  
absolutely indispensable.**

**Harmony is created when peace and love unite.**

**Peace, love and harmony are the creators  
of infinite wisdom.**

**Verily**

**A time will come**

**As the wishes and dreams  
of mankind  
to the wonderful reality.**

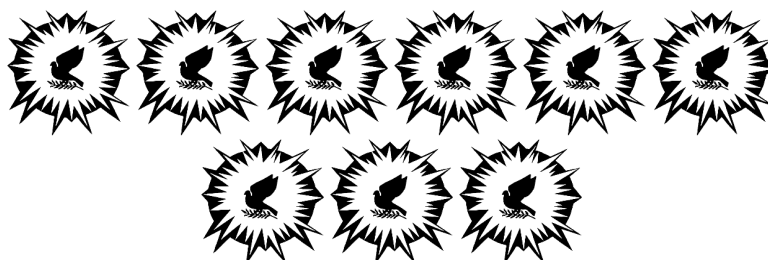

# The World Peace

**Have faith, dear Reader!  
Eventually, the World Peace an imperishable part  
of the earthly world.**

**Please never forget the most important:**

**Accept and respect everyone, absolutely everyone,  
because every human is a part of nature  
and cosmic wisdom.**

**Please never forget it!**

# Lucky Sunday - Hope for Peace and Love

30

Dear Reader,  
with "Lucky Sunday", I managed a very nice book to write.

Here is the book description, etc.

The fun-loving, constructive reading is positive thinking, pleasant includes psychological influences and excited by profound philosophical statements.

Lucky Sunday`s clever personality takes the reader into a world where peace, love and sincere friendship to the sense of life embodied.  
His good character, honesty of his thinking shaped Lucky Sunday to make exceptions.

"Lucky Sunday", an unusually large collie, is a philosopher of the wildlife. He can understand all languages and loves this world with all its creatures.  
"Lucky Sunday" is wise and gives the reader the feeling of this wonderful soul personality infinitely trust them.

"Lucky Sunday" is a fine novel, whose profound philosophy pleasantly thrilled.

A turbulent perilous rich, but also contemplative journey across North America.

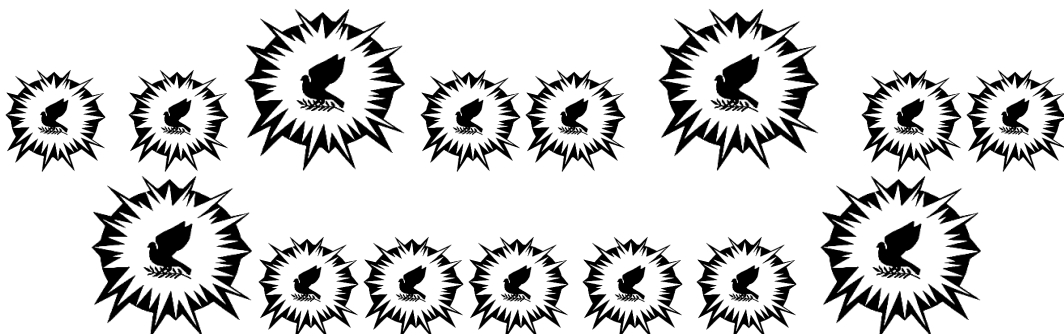

The wonderful happy fulfilled the desire of the reader's imagination.  
Alone because of the lively philosophy is "Lucky Sunday" highly recommended.

"Lucky Sunday" provides a mental balance, which most likely is unique.

Sadly, I have "Lucky Sunday" only in German.
